

Utah Statewide Immunization Information System (USIIS) Monthly Report for February 2005

HIMSS Conference: Nancy Paré attended the Healthcare Information and Management Systems Society (HIMSS) annual conference in Dallas, Texas where she received the 2004 Nicholas E. Davies Public Health Award of Excellence on behalf of the USIIS Program. Contact Nancy Paré at 801-538-6871 or npare@utah.gov.

USIIS staff with award.

CDC Report: The USIIS yearly statistical report for CDC has been compiled, completed and submitted to the Immunization Program. It will be sent to CDC in March. Contact Sandra Schulthies at 801-538-6114 or sschulthies@utah.gov.

Enrollment/Training: Two new enrollments were recorded for February: Basin Clinic and Washington County School District Pre-school. There were also 5 re-enrollments and 11 additional trainings to current providers and schools. Contact Linda Abel at 801-538-6905 or label@utah.gov.

WebKIDS User Tip: Would you look at that! The vaccine inventory is now editable! You can edit the: Expiration Date, VIS Version Date, Dosage, and Doses in Shipment after a vaccination has been given from the vaccine lot. You can edit everything else even if no vaccine has been given from that lot. Just make your changes as desired, then press the Save button! For any clarifications on this tip, contact J.C. Alexander at 801-538-6827 or jcalexander@utah.gov.

Interactive Voice Response System: After a thorough investigation, USIIS has decided to discontinue its interactive voice response system. It was not being used, and other available alternatives are more convenient. **Contact Nancy Paré at 801-538-6871 or npare@utah.gov.**

New Vaccines in Forecast: Two new vaccines have been added to the Forecast – Decavc (113) and Menactra (114). **Contact Chris Pratt at 801-538-9945 or cpratt@utah.gov.**
